[[edit](#)] [[purge](#)]  Template documentation
This documentation transcluded from Template:Bigbold/doc([edit](#) | [history](#))

This template, Bigbold, or **big bold**, is a shorthand notation to make the passed parameter text both **big** and **bold**. It is most useful when defining an acronym.

Usage

{{bigbold|your text}}

Example

{{bigbold|Foresight}} studies.

produces

Foresight studies.
